d) Amazing Parish Homework

It was decided to table this topic until the June meeting because of the low attendance at this meeting. We want to give each council member a chance to submit their questions.

4. New Business:

- There is not yet a date for a planning meeting for the parish picnic, but help is needed and will be appreciated. The committee is looking for help getting people to attend as well as help all around with the picnic.
- We are going to wait until the June meeting to review the finance council meeting
- We are going to wait until the June meeting to review the active shooter report / presentation that council members attended.
- NHS is interested in getting air conditioning in the school. We need to work closely with them on who will be paying for what; they are willing to work with us.
- The choir is having a concert on June 10 at 7:00 p.m. This concert will be recorded and presented on a CD along with songs that were recorded on the last Haiti trip. The CD will be available for sale, with profits benefitting the Haiti parish.
- Through the summer the office will be closed one day per week and time may be cut short each day; a note will be in the bulletin.
